

Preface

At Vedanta Academy, we strive to provide a structured and enriching academic environment that balances learning, extracurricular activities, and well-deserved breaks. Our Academic Calendar serves as a roadmap, ensuring smooth academic operations while keeping students engaged and motivated.

The Annual Activities Schedule includes cultural events, sports, and co-curricular programs that foster holistic development. These activities instill discipline, teamwork, and creativity among students.

The Holiday List is thoughtfully planned, aligning with government regulations and significant national, regional, and festive occasions, ensuring students get ample time for rest and rejuvenation.

This document serves as a guide for students, parents, and teachers to plan effectively for a productive and enjoyable academic year.
